June 17th-August 23rd 2019 (10 weeks of Summer Camp Fun)

Our daily Summer Camp rate is \$75 per child, plus an enrollment fee of \$85. We require two-week tuition payments in advance.

Payments are made in advance bi-weekly on a first day of your child's visit to school via personal check, electronic transfers such as Zelle, Chase QuickPay, Google Pay or cash.

A non-refundable enrollment fee is \$85, which covers our arts and crafts supplies, educational materials, science projects, field trips, etc.

A two-week deposit (the amount varies depending on your chosen schedule) is required upon enrollment. The deposit is used towards last two weeks of your child's tuition with a proper notice of one month, excluding month of December. Please note that we do not issue refunds; therefore plan your payments and possible contract cancelations in advance.

School provides nutritious snacks in the AM and PM that includes organic milk, while parents are responsible for their child's favorite lunch. Please make sure to pack a nutritious, well-balanced meal (suggested: protein, veggie and a grain; please no snacks and sugary items), which your child can feed to itself.

Diapers are required for non-potty trained kids.
